Dr. Billy W. Stewart PRESIDENT

East Central Warrior Fans –

On behalf of the Board of Trustees, administration, faculty, and staff of East Central Community College (ECCC), I am pleased to welcome you to Decatur, Mississippi, home of the Warriors!! I am also pleased to welcome you to the campus of the #1 community college in the state of Mississippi according to the June 14, 2014, edition of *The Clarion-Ledger*. We deeply appreciate your interest in ECCC athletics and are pleased you have chosen to join us for today's sporting event.

During this 2014-2015 campaign, we anticipate continued success for our student-athletes in the classroom and on the field of competition. Last year, seven of ECCC's ten intercollegiate athletic teams that competed in the National Junior College Athletic Association (NJCAA) qualified to be named National Academic Team of the Year by earning an average team GPA of 3.00 or higher. ECCC had four teams finish in the Top 5 in the nation (Women's Softball – 2nd; Women's Soccer – 2nd; Men's Soccer – 4th; Women's Tennis – 4th), and three other teams finished in the nation's Top 20 (Men's Baseball – 13th; Men's Tennis – 14th; Men's Golf – 17th). In addition, ECCC had 24 individual student-athletes recognized for academic excellence by the NJCAA last year—the largest number from one community college in the nation! I am confident in the ability of each of our student-athletes to continue the proud and rich tradition of excellence, both academically and athletically, this year.

Will, Elizabeth, Billy, Stephanie, Stephen and Emily Stewart

We are currently developing and implementing plans to improve many of our athletic facilities here at ECCC. Our coaches and assistant coaches, as well as our Athletic Director Chris Harris, have taken great pride in preparing fields, courts, stadiums, and other facilities that represent our athletic department and our college the EC Way– Excellence with Class. And, although we have made several recent improvements, more are needed. Therefore, we ask that you consider supporting our athletic program(s) financially in order to provide the best possible facilities for our student-athletes as they certainly deserve the best!

Again, we thank our loyal Warrior fans for your continued support of our college and our athletic department. Whether that support is expressed through joining the Warrior Club, attending athletic contests, vocalizing your support of ECCC in your local community, or contributing in other meaningful ways, we sincerely appreciate you!! ECCC has a long and rich history of academic and athletic excellence and we look forward with anticipation as this year's teams carry on that tradition. I am proud to wear the black and gold of ECCC.

I'll see you at the game as we cheer on the Warriors!!

ATHLETIC DIRECTOR

Dear Warrior fans and supporters of East Central Community College:

I am extremely excited about the 2013-2014 athletic seasons at East Central Community College. My excitement involves what has happened, what is currently happening, and what will happen in East Central athletics. This past year has been monumental in many ways, perhaps in ways you might not expect on college campuses. Our goal as coaches, faculty and administrators has been and will continue to be the development of the TOTAL student-athlete; academically, athletically, emotionally, and spiritually. Our student-athletes experienced growth in all of these areas this past year, and I expect no different this year.

You will notice that Warrior Athletics is new in many ways this year. We are very fortunate to have several new faces on campus leading our athletic teams. I anticipate that each coach will bring with him/her a desire to do things the EC Way – Excellence with Class. In addition to new personnel, we have several facility improvements either completed, beginning, or yet to come.

Not only am I excited about where we have been and where we are, I am also encouraged about our vision for the future of Warrior Athletics. As a part of the college's new 2020 Vision, there is a strong commitment from our institution to student success, teaching and learning, community partnerships, resource planning and development, and communication. In one way or another, all of those commitments apply to our athletic program. I am anxious to see the improvements that will come now that our college has identified strategic priorities for the years to come.

As we reach the completion of our new turf football field, I consider this just the beginning of the revamping of athletic facilities for all sports. Our expectations for "success through competitiveness" include all sports programs. Our bar is set high with the support and resources to accomplish our athletic goals. I hope you choose to be a part of the improvements and success of East Central Community College Athletics. We are just beginning...

"It is a Great Day to be a WARRIOR!"
Chris Harris, Athletic Director

Ken Karcher

HEAD COACH/OFFENSIVE COORDINATOR

Ken Karcher begins his second year as Warrior head football coach. Prior to joining the ECCC staff, Karcher served as offensive coordinator and quarterbacks coach at Eastern Michigan University.

His top priority remains the same as when he was announced as the college's 21st head coach during a spring 2013 Press Conference: Develop a winning football program at East Central Community College!

Karcher also stressed the importance of recruiting student-athletes who take pride in becoming Warriors.

"What I'm looking for are guys who want to be a part of something bigger than themselves. I think when you find people like that, they are able to work and build towards a vision and a mission that both Dr. Stewart and I have...The first thing I want to help them recognize is where their value is. I think if a person has an understanding of their own value and worth it's easier to come to work each day and to do the things you're asked to do. I want them to have pride in being a Warrior. That could be as simple as walking on campus, seeing a piece of paper on the ground and putting it in the trash. Because this is your home and if we can create pride within the program then we have a chance. No guarantees, but a chance."

Having coached on both the high school and senior college level, Karcher said he looks forward to joining the community college ranks.

"It's going to be an interesting environment for me. I have not worked at this level before, but I have done a lot of research and I have recruited this level. Number one, you are still coaching football and obviously you have young men who are hoping to maybe move on and further their career at a four-year institution and they may have dreams even beyond that. But what's unique about community college is the other 45 or 50 young men who don't continue to play football. You have a chance to mold and help them earn a four-year degree and change their lives. Ultimately, a football coach, really any type of athletic coach, is in the life-changing business. That's what coaching is: changing lives."

Karcher served the past four seasons at Eastern Michigan, a member of the Mid-American Conference.

He is also a former head coach at Liberty University, where he succeeded EC alumnus Sam Rutigliano.

Karcher began his coaching career in 1991 at North Texas State University, where he coached quarterbacks and wide receivers.

He was hired the following season by head Coach Galen Hall as passing game coordinator and quarterbacks coach for the Orlando Thunder of the World League of American Football.

After the World League was suspended, Karcher returned to the collegiate ranks as an assistant on Johnny Major's coaching staff at the University of Pittsburgh. During his first season, he served as the Panthers' pass offense coordinator and quarterbacks coach, sharing duties with run offensive coordinator Charlie Coe.

In March 1994, Majors put Karcher in sole charge of the offense, promoting him to offensive coordinator and quarterbacks coach. He held that position for the next three years, until Majors' resignation at the end of the 1996 season.

In 1997, Karcher rejoined Galen Hall in the revamped World League, this time as offensive coordinator and quarterbacks coach of the Rhein Fire, based in Dusseldorf, Germany.

He helped lead the Fire to their first winning season in the team's three-year history. Rhein finished in first place with a 7-3 record but lost to the Barcelona Dragons in World Bowl IV. Under Karcher's tutelage, quarterback T.J. Rubley earned All-World League honors and was named the league's most valuable offensive player.

Karcher's offense led the league in rushing yards (1555) and ranked

Ken and Pauline Karcher

second in total offense (3253). The offensive line set a league record by holding opponents to only one sack the entire regular season.

Karcher was chosen the sixth head football coach at Liberty University on February 18, 2000.

He served six seasons at Liberty, compiling an overall 21-46 record and 6-8 mark in conference play, including two straight second-place finishes.

Karcher continued his career in 2006 as offensive coordinator and quarterbacks coach at Fellowship Christian High School in Roswell, Ga., where he led the Paladians to their first-ever winning season and a deep run in the Georgia state playoffs. He also served as the school's athletic director and taught a ninth-grade Bible class at Fellowship Bible Church.

In 2008, Karcher was named quarterbacks coach at the University of Toledo. He helped lead the Rockets in an upset win over the Michigan Wolverines, although the squad finished 3-8.

Karcher was hired in January 2009 by head coach Ron English as offensive coordinator and quarterbacks coach at Eastern Michigan University and remained with the program until December 2012.

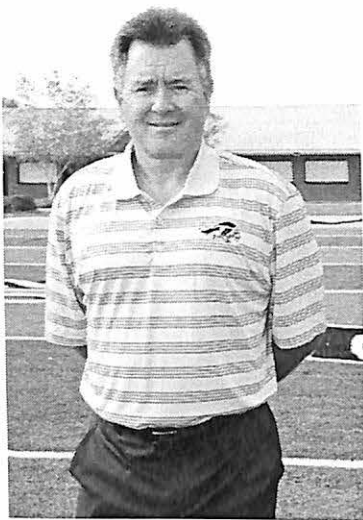

A native of Pittsburgh, Pa., Karcher was a highly recruited quarterback at Shaler Area High School where he was selected a Parade All-American in 1980. He continued his athletic career at the University of Notre Dame where he was a backup to Blair Kiel. After two years he transferred to Tulane University, where he completed his collegiate playing career.

He later continued his career in the National Football League as a member of the Denver Broncos and played as a replacement player when other NFL players were on strike. The Broncos retained him for the rest of the year, and Karcher was a back-up for John Elway when the team played in Super Bowl XXII in 1988.

Karcher is married to the former Pauline Termini and they have four children, daughters Kelly and Katie, and sons Austin and Clay.

COACH DUNGY TALKS FAITH, FOOTBALL AT FUNDRAISING EVENT

Faith in God and the role talent and teamwork play on the football field and in life was the message given by Tony Dungy, former Super Bowl champion head coach of the Indianapolis Colts, to more than 400 people Friday, March 28, 2014, in the Neshoba County Coliseum.

Dungy, now an analyst for NBC's "Football Night in America," was the keynote speaker of the "Laying the Foundation: An Evening with Coach Tony Dungy" event, hosted by East Central Community College.

The sold-out event served as a fundraiser for a new \$4.8 million football operations center at EC.

Following a steak and lobster dinner for attendees provided by Valley Services, Inc., Dungy took the stage, recalling the words his high school coach spoke on his own first day on the team.

"Talent is God given," he said. "Be humble. Fame is man-given. Be grateful. Conceit is self-given. Be careful, because it's not all about you."

This theme of talent and teamwork was the centerpiece of Dungy's speech.

After he ended his speech, Dungy was joined on stage by ECCC President Dr. Billy Stewart, who presented the former NFL coach with an honorary EC jersey.

Stewart thanked Dungy and asked him if he would consider returning once the football center was complete.

Dungy agreed.

Estimated to cost \$4.8 million, the new facility will be located in the north end of Bailey Stadium and will include a state-of-the-art weight room and athletic training facility for

Super Bowl-winning coach Tony Dungy (above) was the featured speaker for an East Central Community College-sponsored event held Friday, March 28 at the Neshoba County Coliseum in Philadelphia. Prior to his keynote speech in Philadelphia, Dungy (right) shared his message with more than 1,000 area high school seniors during Senior Day activities held on the Decatur campus. During his inspirational message, Coach Dungy told the special campus visitors "to believe in themselves....believe and trust in the Lord... and don't be afraid to break away from the crowd." He also stressed the importance of setting and achieving goals. In addition, Coach Dungy told the high school seniors "to learn how to bounce back from disappointments."

all student-athletes.

Stewart ended the night by stating the event was a "rousing" success.

"This has been the message of hope and a sign of a great future ahead," he said.

Besides the speaking and dinner, the event featured a silent auction of sports memorabilia including a Sports Illustrated magazine signed by Archie Manning, and specialty items, including a guitar signed by musician Jon Bon Jovi.

The auction also included a trip to

the Kentucky Derby as well as tickets to an MLB game.

Serving as corporate sponsors for the event were Rush Health Systems (Gold Sponsor), Anderson Regional Medical Center (Silver Sponsor) and Valley Services, Inc. (Bronze Sponsor). There were also 17 table sponsors.

ECCC HOLDS RIBBON-CUTTING FOR NEW TURF FIELD

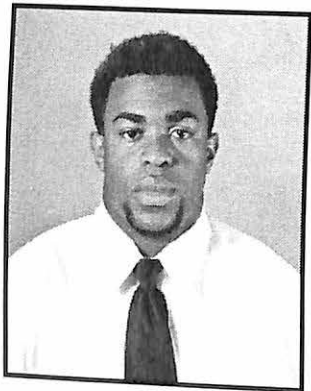

East Central Community College President Dr. Billy Stewart performs ribbon-cutting duties (photo at right) to officially unveil the recently installed synthetic turf on Warrior field during the annual "Meet the Warriors" Pep Rally/Player Introductions held Monday, August 25, 2014, at Bailey Stadium. Dr. Stewart provided comments to a packed stadium prior to the ceremony and noted the turf installation would not have been possible without the support from former NFL coach Tony Dungy, whose appearance earlier this year on campus and at the Neshoba County Coliseum in Philadelphia netted approximately \$160,000 for the \$727,000 project. Participating in the ribbon-cutting ceremony were (from left) ECCC Board of Trustees members Royce Shaw (secretary) of Forest, Jerry Smith (vice chairman) of Philadelphia, Dr. Jimmy Hollingsworth (chairman) of Lake and Rodney Bounds of Newton; ECCC staff members Dr. Stacey Hollingsworth, executive director for Foundation and Alumni Relations; Artie Foreman, Supt. of the Physical Services and Athletics; Dr. Stewart; Ken Karcher, head football coach; James Bateman, EnviroTurf of Flowood; and ECCC Board of Trustees members Pat Cleveland of Conehatta, William E. Kitchings of Carthage, David Byars of Philadelphia and J.O. Amis (Newton County Supt. of Education) of Decatur. Following the cheerleading squad and Centralettes dance line performed and received special recognition followed by introductions of the Lady Warrior and Warrior soccer teams, and the Warrior football squad. The Wall O' Sound Band also performed.

JUCO Weekly/MACJC Plan Football Scoreboard Show on SuperTalk Stations

JACKSON - The Mississippi Association of Community and Junior Colleges (MACJC) and JUCO Weekly (jucoweekly.org) have partnered with SuperTalk Mississippi (Telesouth Communications, Inc.) in launching a statewide weekly community and junior college radio scoreboard show.

"The Mississippi JUCO Football Scoreboard Show" will air each Thursday night from 10 to 11 p.m., for nine weeks, beginning August 28 and ending October 23, 2014.

"To team with SuperTalk Mississippi provides a tremendous opportunity, as it gives the MACJC access to an established statewide radio audience," said Mike Frazer, JUCO Weekly founder. "SuperTalk Mississippi has built an impeccable reputation with the public and the corporate community over its many years of service, and we are very excited about this partnership."

Frazer said the Mississippi JUCO Football Scoreboard Show will feature game scores, game recaps from media members, current MACJC standings, current MACJC player statistics and rankings, team rankings and player of the week selections. The scoreboard show will also highlight student-athletes who are receiving interest from senior college and universities. In addition, the show will announce the current national top 20 poll released weekly by the National Junior College Athletic Association

(NJCAA).

Jim Southward, who serves as MACJC Director of Athletics, said he is "excited" to see the MACJC make the move to statewide radio and SuperTalk Mississippi.

"We hope that people across the state of Mississippi will tune in for the scoreboard shows," said Southward. "Mississippi community and junior college football has an incredible history. Each of our community and junior colleges offers tremendous opportunity to our students in athletics, academics, technical and vocational programs." SuperTalk Mississippi will air the scoreboard show on each of its 11 radio stations across the State of Mississippi.

"The Mississippi Community and Junior College system has had such a monumental impact on the state athletically and academically for generations," said SuperTalk Mississippi Program Director David Day. "The success that the MACJC has in athletics, particularly in football, is flat out impressive and we want to be a bell horn for the league."

Day added, "Airing a Mississippi JUCO football scoreboard show that showcases the league's

talent and promotes the MACJC's overall impact to the state is in harmony of what we're about here at SuperTalk Mississippi."

The Mississippi JUCO Football Scoreboard Show will be hosted by Mike Frazer with a co-host to be named at a later date.

In addition to listening the program on local SuperTalk Mississippi radio stations, the scoreboard show will also be streamed "live" online at www.supertalk.fm and also at www.jucoweekly.org.

The scoreboard show will air on SuperTalk radio stations in the following areas of the state: Corinth (94.3), Delta (96.9), Golden Triangle (100.9), MS Gulf Coast (103.1), Hattiesburg/Jackson (97.3), Laurel (99.3), Meridian (103.3), North MS (105.5), Southwest MS (102.1) and Tupelo (102.9).

The JUCO Weekly website, which turned four years old earlier this year, is designed to provide in-depth coverage of Mississippi community and junior college athletics.

To view live updated game scores, game stats, headline news, videos, game action shots, team schedules, team rosters, and more MACJC-sanctioned athletics, visit www.jucoweekly.org - the one source for Mississippi community and junior college athletics.

On the Cover:
 Marquis Hedge (21) was the top offensive weapon during East Central Community College's 35-14 blowout of Coahoma Community College Thursday, Sept. 4 on the Clarksdale campus. Hedge, a 5-9, 185-pound sophomore running back, ran for three touchdowns and hauled in a pass for another score in helping lead the Warriors to the impressive non-division victory. The Forest Hill High School product finished the night with 100 yards on 22 carries. In the background is sophomore quarterback Ethan Hamilton (8) who also had a productive night for the Warriors. The Noxapater High School product completed 11 of 18 passes for 114 yards and the one score.
